

Pike Showcase Photos

Two scenes from Charlie Buschman's Kentucky Appalachian Railroad. The KA will be one of the layouts open during the Southwind '07 Convention. (Photos by Charlie Buschman)

Falls Creek Bethlehem Works on Bob Frankrone's Louisville Southern Railroad. Louisville Southern will be open during the Southwind '07 Convention and was on the NMRA National Convention Tour in 2005.

P & L 8315 waits for its next assignment on Charlie Keeling's layout.

Gene Hinderer built this "Tree House Depot" inspired by a Model Railroader article. Passengers can transfer from trains on one level to the other via the basket. Rumor has it this depot will end up on Jerry Ashley's layout.

To the right was a Camera set up for Renee Grosser for the taping of the Nostalgia Trip Railroad for KET to be shown on March 25. (Photo from Ray Grosser)

Trackside Contest

This signal bridge is on busy section of track 4.6 miles from MP 0 in Louisville. Name the closest station, street crossing, or the community that used to be the east of this track.
 The February Trackside location was the ICG (now P & L) Oak Street Viaduct.

February Contest Winner

There were four entries in the February Contest. Bob Frankrone took the honors with his SOO Diesels.
